Earning points

The Card can be used by Members to earn Points by presenting it when purchasing non-prescription items and non-exempt items at any pharmacy participating in the LoyaltyOne program. Exempt items are Pharmacy Only, Pharmacist Only, Prescription medicines or as otherwise stated by the Pharmacy. The LoyaltyOne system will issue the Member the applicable points (as specified by the pharmacy) for every \$1.00 spent on non-prescription and non-exempt items. Points earned do not expire. Points cannot be earned on prescription items or exempt items unless otherwise stated. Bonus Points may be earned from time to time in relation to special promotions of particular goods or services as advertised from time to time by LoyaltyOne. Any Points issued as a result of fraud, dishonesty or error, or that relate to a purchase by the Member that is subsequently cancelled or refunded, will be cancelled by the Manager. Points and any benefit that they confer are not property, do not have any cash or monetary value and cannot be sold, transferred, assigned or otherwise dealt with otherwise than in accordance with these terms and conditions. The Card is not a credit card or charge card, is not transferable, and remains the property of the Manager. Members must notify the Manager if they change their address or if the Card is lost or stolen. "Exempt items" are items that are exempt from earning Points when purchased as advised by the Member's participating LoyaltyOne Pharmacy or by the Manager from time to time.
